* To order prints with the metallic finish online, you must first select the print and size and then add to your cart. When in the cart, there is an option for "extras." Click on that and then select the metallic finish.

** Mounting options, Framing, and Canvas can be ordered online, but the process is the same as the process for the metallic finish. First, select the print and size and add to your cart. Once in the cart, there is an option to add "extras." Click on that and then select the type of mounting you would like.

***You may place your album order online to use a credit voucher or pay with a credit card or can place the order with the order form to pay by cash or check. Once the order is placed, we set up an album planning session during which we will, together, plan out the pages of your album. You'll choose all the primary photographs and I'll design the final product to your specifications.
